02 / OUR PLATFORM

Two Perspectives. One Network.

A business model combining vessel-side capability with cargo-side solutions.

VESSEL PRINCIPAL & OWNER NETWORK

We maintain close relationships with vessel owners and operators, providing access to vessel availability, market intelligence and commercial opportunities.

NVOCC / CARGO SOLUTIONS

Cargo movement can be arranged through our trusted network of carriers and logistics partners, with documentation and port-to-port coordination tailored to client requirements.

WHY THIS MATTERS

The combination gives SAHEB Marine Services a practical understanding of both sides of the market — vessel availability and cargo requirements — helping us build commercially workable solutions.

03 / SERVICES

Full-Spectrum Maritime Support

Core services for shipowners, charterers, cargo interests and trading partners.

01

CHARTERING

Time, voyage and bareboat charter solutions tailored to operational requirements.

02

04 / CORE SERVICE

Chartering

Matching vessel, cargo, route and commercial terms with disciplined execution.

We handle time charter, voyage charter and bareboat charter enquiries across vessel types including bulk carriers, multi-purpose vessels, container ships and tankers.

CHARTERING FOCUS

- Vessel sourcing & availability
- Cargo / route suitability
- Commercial negotiations
- Counterparty coordination
- Fixture follow-up

05 / LOGISTICS

NVOCC & Cargo Transportation

Moving cargo through a trusted network — even when our own vessel is not on the route.

NVOCC / CARGO SOLUTIONS

Cargo-side control with network flexibility

We arrange cargo movement through a trusted network of carriers and logistics partners, supporting freight coordination, documentation and port-to-port execution.

TYPICAL REQUIREMENTS
